A Journey Children Never Forget

What does it feel like to travel deep into the rainforest?

To navigate remote rivers by canoe?

To discover incredible wildlife and meet indigenous communities whose way of life has remained unchanged for generations?

Join explorer and adventurer John Sullivan as he takes pupils on an unforgettable journey through some of the world's most remote and fascinating environments.

Through authentic expedition stories, fascinating artefacts, jungle survival equipment and highly interactive experiences, pupils discover the exciting worlds of exploration, wildlife, teamwork, conservation and resilience.

THIS ISN'T JUST A TALK — IT'S AN EXPERIENCE

Unlike a traditional school talk, children don't simply listen.

They become part of the adventure.

Real Adventures. Real Rainforests. Real Experience.

John Sullivan is a real-life explorer who has spent more than twenty years travelling through remote rainforests, living alongside indigenous communities, supporting conservation projects and surviving in some of the world's most challenging environments.

His adventures have taken him deep into Borneo, Papua New Guinea and other extraordinary regions where he has experienced wildlife, cultures and survival situations that few people ever encounter.

Today he brings those experiences directly into schools through inspiring, educational and highly engaging presentations that spark curiosity, confidence and a love of learning.

EXPERIENCE INCLUDES

- ★ 20+ Years of Exploration
- ★ Former Royal Marines Commando
- ★ Rainforest Expeditions Worldwide
- ★ Conservation Projects
- ★ Indigenous Community Immersion
- ★ International Speaker

Educational. Inspiring. Memorable.

Schools choose John because pupils learn from genuine real-world experiences rather than textbook examples.

BRINGING LEARNING TO LIFE

Children learn best when they are emotionally engaged. Through real stories, authentic artefacts and hands-on experiences, pupils don't just learn about rainforests and exploration — they experience them. The result is learning that children remember long after the presentation has finished.

DISCOVER INCREDIBLE WILDLIFE

Pupils discover:

- ★ Orangutans
- ★ Toucans
- ★ Colourful rainforest frogs
- ★ Rare jungle creatures
- ★ Exotic plants
- ★ Unique ecosystems

Children learn how animals adapt to survive and why protecting rainforest habitats is so important.

DID YOU KNOW?

Rainforests contain more species of plants and animals than any other ecosystem on Earth.

Meet Indigenous Communities

John shares fascinating stories about living alongside rainforest communities and learning traditional survival skills.

Children discover:

- ★ Traditional hunting techniques
- ★ Jungle survival methods
- ★ Indigenous cultures and traditions
- ★ Respect for different ways of life
- ★ How communities live sustainably with nature

Encouraging cultural understanding,
empathy and global awareness.

Real Adventures. Real Challenges.

Travel alongside John as he:

- ★ Flies into remote rainforest regions
- ★ Navigates jungle rivers
- ★ Explores vast wilderness areas
- ★ Encounters extraordinary wildlife
- ★ Solves real expedition challenges
- ★ Learns from indigenous communities

These true stories
demonstrate courage, perseverance,
teamwork and resilience in action.

Continue the Adventure

Enhance the presentation with a practical Adventure Workshop where pupils become explorers, problem-solvers and team members.

Activities may include: ★ Survival challenges ★ Shelter building
★ Teamwork tasks ★ Problem-solving games
★ Leadership activities ★ Expedition-style missions

A fun, active and memorable way to reinforce learning while developing confidence, communication and teamwork.

Hands-on Adventure

Children don't simply hear about adventure.

They get to see authentic:

- ★ Jungle survival equipment
- ★ Expedition gear
- ★ Indigenous cultural artefacts
- ★ Fire-lighting equipment
- ★ Navigation tools
- ★ Equipment used during real expeditions

These hands-on experiences help bring learning to life and create unforgettable memories.

CHILDREN BECOME EXPLORERS

Unlike a traditional school talk, pupils don't simply sit and listen. Throughout the presentation, children handle real artefacts, examine authentic expedition equipment, answer questions, solve challenges and become active participants in the adventure.

By seeing, touching and experiencing objects from real rainforest expeditions, pupils feel like explorers themselves — creating excitement, curiosity and learning that lasts long after the session has finished.
