Be curious. Be brave. Help others. Keep going.

What will your next adventure be?

1. WHAT DO YOU REMEMBER?

Think back to Jungle John's presentation.

1. Which adventure or story did you enjoy most? Why?

2. Write one surprising fact you remember.

3. Which places did you hear about? Tick the ones you remember.

☐ Borneo ☐ Belize ☐ Papua New Guinea ☐ Uninhabited Island

4. What did John do when things became difficult?

☐ Gave up ☐ Kept trying ☐ Worked with others ☐ Solved problems ☐ Stayed positive

5. Choose **THREE** explorer qualities you think are most important.

☐ Courage ☐ Resilience ☐ Teamwork ☐ Kindness ☐ Curiosity ☐ Leadership ☐ Preparation

6. What does 'stepping outside your comfort zone' mean to you?

2. BORNEO – RAINFOREST ADVENTURE

Resilience • Respect • Nature

REMEMBER

Write one thing you remember about John's time in the rainforest.

THINK

Which qualities would you need on a difficult rainforest expedition?

☐ Resilience ☐ Patience ☐ Teamwork ☐ Courage ☐ Curiosity ☐ Respect

DISCOVER

Write or draw one thing you learned about the rainforest, wildlife or communities John met.

APPLY IT TO YOUR LIFE

Describe one situation at school, at home or in sport where you could use the same qualities.

MY PROMISE TO NATURE

One thing I can do to help protect nature is:

3. STRANDED! – THE 12-DAY ISLAND CHALLENGE

You and your team are stranded on an uninhabited tropical island for 12 days.

A. YOUR SURVIVAL BACKPACK

You may take only FIVE items. Circle or tick your choices.

- ☐ Rope ☐ Matches ☐ Torch ☐ Water Bottle ☐ Fishing Line
☐ First Aid Kit ☐ Sleeping Bag ☐ Compass ☐ Knife ☐ Frying Pan
☐ Chocolate ☐ Teddy Bear ☐ Football ☐ Mobile Phone ☐ Book

Why did you choose these five items?

B. SURVIVAL PRIORITIES

Number these from 1 (most important) to 6.

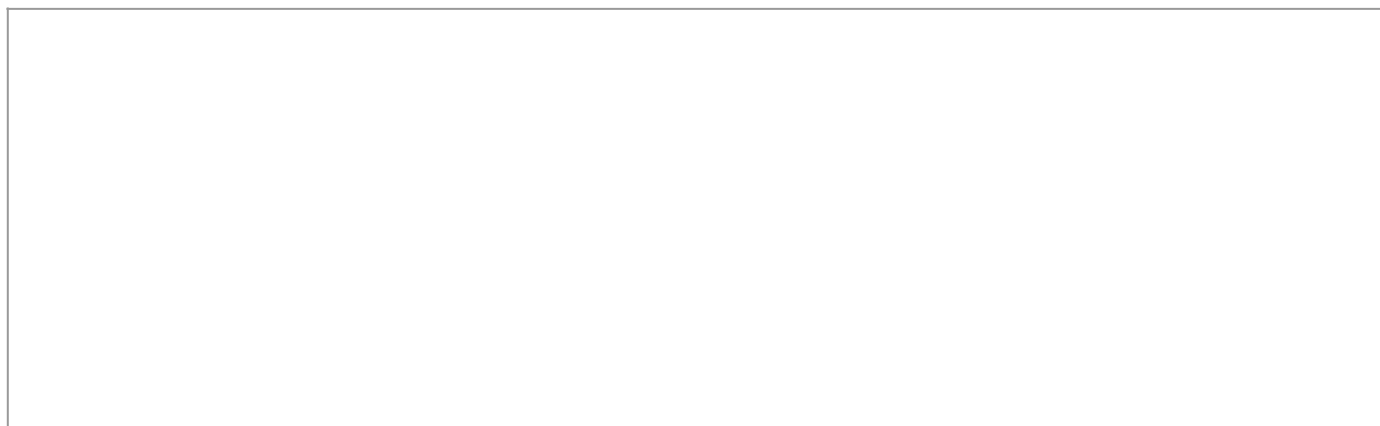

____ Water	____ Shelter	____ Food
____ Fire	____ Rescue	____ Keeping positive

C. TEAM DECISION

If your team disagreed about what to do first, how would you solve the problem?

4. DESIGN YOUR ISLAND CAMP

Draw your camp in the box. Include: shelter, fire, fresh water, sleeping area, food store and a rescue signal.

WHAT WOULD YOU CHANGE?

After hearing Jungle John's real 12-day island story, would you change any of your five items or survival priorities? Explain why.

RESCUE!

What would make a good rescue signal that could be seen from the air?

5. BELIZE – MAKE A DIFFERENCE

Conservation • Teamwork • Leadership

John and his team worked on a conservation project in Belize.

1. Why is protecting wildlife and its habitat important?

2. Which team role would suit you best?

☐ Builder ☐ Cook ☐ Medic ☐ Leader ☐ Wildlife Helper ☐ Encourager

Why?

3. Why is every person important in a team?

4. YOUR CONSERVATION MISSION

Imagine your class could complete one project to help people, animals or the environment. What would you choose?

5. NEVER GIVE UP

What can help a team keep going when the work is difficult?

☐ Encouragement ☐ A clear goal ☐ Helping each other ☐ Positive attitude ☐ Good leadership

6. PAPUA NEW GUINEA – CULTURE & EXPLORATION

Curiosity • Respect • Learning

1. What do you remember about the people or communities John met in Papua New Guinea?

2. Why is it important for an explorer to respect different cultures and ways of life?

3. A GOOD EXPLORER...

Tick the behaviours that show respect.

- ☐ Listens ☐ Asks respectful questions ☐ Learns from others
- ☐ Thinks their way is always best ☐ Looks after the environment ☐ Shows kindness

4. CURIOSITY CHALLENGE

If you could respectfully ask someone from another part of the world three questions about their life, what would you ask?

1.

2.

3.

7. MY EXPLORER SKILLS

Everyone has strengths – and everyone can improve.

Explorer Skill	I'm good at this	I'm improving	My next step
Confidence	☐	☐	_____
Teamwork	☐	☐	_____
Courage	☐	☐	_____
Resilience	☐	☐	_____
Problem solving	☐	☐	_____
Kindness	☐	☐	_____
Curiosity	☐	☐	_____
Leadership	☐	☐	_____

The explorer skill I most want to improve is:

One thing I can do to improve it is:

8. WHAT WOULD YOU DO?

There may be more than one good answer.

A teammate wants to give up.

What could you say or do to help?

Your group gets lost.

What should your team do before rushing ahead?

A teammate is injured.

What qualities would a good team show?

Your plan does not work.

What could you do next?

9. FEED THE RAT – MY NEXT ADVENTURE

Adventure can begin whenever you choose to try something new.

WHAT FIRES YOU UP?

Write or draw something you love doing, learning about or getting better at.

MY CHALLENGE

One thing I learned from Jungle John:

One quality I want to develop:

One challenge I am going to try:

Someone who can help or encourage me:

I will try to complete it by:

THE EXPLORER CODE
